

## PHILOSOPHY

We believe and affirm that the Holy Scriptures are the inerrant Word of God and that Jesus is God's only Son who died on the cross, rose from the dead, and ascended to heaven to secure eternal salvation for all who repent and believe in Him.

We believe that a child's primary role models and teachers are his/her parents. We further believe that the family as ordained by God and set forth in the Holy Scriptures consists of a father, mother, and child(ren).

We believe that all human life is created in the image of God and therefore possesses unique sanctity and dignity, that God has created each child to be distinctive and individual and that each child's growth and development are influenced by his/her temperament, genetic make-up and environment.

We affirm our partnership with the child's family in guiding a child's growth and development. The school is committed to encouraging the development of each child's full potential and to fostering each child's love and respect for others.

We are founded on Biblical principles. Therefore, the school strives to help each child mature to his/her fullest potential in each of the five development areas: spiritual, social, emotional, academic and physical.

## A BIT ABOUT OUR SCHOOL

We are a year round preschool and day-care ministry of First Baptist Church Clovis. Bright Beginnings Learning Center began in 1981 as a morning kindergarten readiness program and went to full day care in 1985. In 1991 we became members of the Association of Christian Schools International (A.C.S.I.) Our most recent accomplishment was to renew our accreditation from the A.C.S.I. in 2004.

Age: 3 thru 6 years old (potty trained). 6-9 year olds for before & after school care and summer care.

Ratio: We maintain a student/teacher ratio of 1:10 children in our Pre K classes, a 1:9 ratio in our 3 year old class and a 1:14 ratio in our grade school class. These ratios reflect our enrichment times.

Teachers: Our teachers are practicing Christians from various denominations. Our school takes pride in a low teacher turn over rate. The average length of employment is 10 years.

We do not discriminate against special needs, race, color, nationality, origin or ancestry.

Bright Beginnings Learning Center offers many enrollment options with two enrichment mornings as our minimum requirement. All children enrolled in our school participate in the structured enrichment program between 8:45–11:45 a.m. This program has a theme based curriculum and includes daily Bible lessons. Our enrichment time is geared to specifically equip your child with skills he/she will need when they enter kindergarten. It is also intended, as is our entire program, to build a child's self-concept in a loving Christ-centered environment. Our staff is concerned about your child's intellectual growth as well as his social skills and emotional development.

All of our fees are based on a 4 week month.

There is a one time non-refundable \$50 registration fee

Our hours of operation are 6:30 a.m. to 6:00 p.m.

## **ADMISSION POLICIES & PROCEDURES**

If a parent wishes to enroll their child in our school, a registration packet will be provided to the parent. There is important information the school will need to keep on file in case of an emergency.

Included is a Physician's Report that must be filled out and signed by the child's doctor within 30 days of starting. Also, your child must be up to date on all of his/her immunizations which are as follows:

- ⇒ 3 Polio
- ⇒ 4 DTP
- ⇒ MMR & HIB on or after their 1st birthday
- ⇒ Hepatitis B series (3 shots)
- ⇒ Chicken Pox Vaccine

A child will not be allowed to enroll until proof of all immunizations is provided to the school.

The next step is an orientation with our director Kelli Austin. At this time she will go over all of the policies and procedures of the school, as well as your fee schedule. This is a key time for you to ask any questions or state any concerns that you may have regarding your child and/or the school. Please bring your registration packet with you to orientation to ensure that everything is complete.
